

2. Formula para adverbios (Formula for adverbs)

Let's make some adjectives into adverbs! Write a simple English sentence using an adjective, then make it to an adverb. After, translate it into Spanish!

Ejemplo:

real = really / really = realmente

English: Our real world is big. = Our world is really big.

Spanish: Nuestro mundo real es grande. = Nuestro mundo es realmente grande.

calm = calmly / calmada = calmadamente

English: _____

Spanish: _____

quick = rápido / quickly = rápidamente

English: _____

Spanish: _____

	English Adj = Adv	/	Español adj = adv
English:	=	/	=
Spanish:	=	/	=
English:	=	/	=
Spanish:	=	/	=
English:	=	/	=
Spanish:	=	/	=
English:	=	/	=
Spanish:	=	/	=

3. ¿Qué piensas? (What do you think?)

On a separate sheet of paper, write a mini essay, using adverbs and grammar learned, about your thoughts on global interdependence. Then, translate it to Spanish.
